

Task : Creation of IBM Cloud Account.

Team ID	PNT2022TMID48154
Project Name	IOT BASED SAFETY GADGET FOR CHILD SAFETY MONITORING AND NOTIFICATION

The screenshot shows the 'Account settings' page of the IBM Cloud interface. The left sidebar is a navigation menu with sections like 'Account', 'Account resources', 'Account settings' (which is currently selected), 'IBM Cloud Shell settings', 'Notification distribution list', 'Classic infrastructure', 'Subscriptions', 'Audit log', and 'Company information'. The main content area displays account details: 'Account' (Nithya Darshini K S's Account, ID: 98fb5e81b66f4a9199eaf00e48a0fd0e), 'Account Type' (Trial (Free)), and '395 days remaining in Trial'. Below this is the 'Account upgrade' section, which encourages adding a credit card to unlock full power with a Pay-As-You-Go account. It includes a 'Subscription' summary, a 'Need help?' link to contact sales, and a large blue 'Upgrade' button. A small 'Add credit card' button is also visible. The top of the page has a search bar, a catalog link, and a user profile for 'Nithya Darshini K S's A...'. The status bar at the top right indicates 'Not syncing'.

Account created successfully.
